Cyber Insurance

ID Restoration Support

A Fraud Resolution Agent will deliver step-by-step support to restore your identity. Our Limited Power of Attorney option allows our agents to manage recovery on your behalf.

Cyber Bullying

Coverage for necessary and reasonable cyber bullying expenses i.e. counselling, replacement wages, educational relocation expenses and legal services.

ID Theft Insurance

You are covered up to \$1 million for certain eligible expenses associated with ID theft, including lost wages, legal fees and electronic fund transfers.

Online Fraud

Coverage for necessary and reasonable fraud costs (including direct financial loss), so long as it has been reported in writing to the Police.

Home Network Monitoring

When activated we will scan and monitor your external home network. The provided report will outline any security issues with your connected hardware and IOT devices.

Cyber Extortion

Coverage for the costs of an expert to help with a cyber extortion event, as well as reasonable costs to respond to an extortion threat.

Data Scrub

Our expert data removal agents will identify and remove personal data from data brokers reducing the number of unwanted spam and scam communications.

Internet of Things Compromise

Coverage for necessary and reasonable costs for data recovery and system restoration following a "cyber-attack" (defined as unauthorised access or use and/or a malware attack).
